VOLVO 系列引擎 與 GAC 電子式調速器匹配表

引　擎 (緊急輸出馬力)	作動器	調速器	檢出器	安　裝	幫 浦 形 式	控制電源
TD610G (156)	ADC225 ACB275H	ESD5500	MSP6728C	Bosch MW pump	GAC 225 actuator is connected to the stop lever of the RSV governor Mechanical governor back cover and internal parts removed. 275 integral actuator mounted with adaptor Kit to RSV governor housing. KT 166	24
TWD610G (194)	ACB275H	ESD5500	MSP6728C	Bosch MW pump	Mechanical governor back cover and internal parts removed. 275 integral actuator mounted with adaptor Kit to RSV governor housing. KT 166	24
TD710G (233)	ADC225 ACB275H	ESD5500	MSP6728C	Bosch P3000 pump	GAC 225 actuator is connected to the stop lever of the RSV governor 275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 275-3000	24
TWD710G (271)	ACB275H	ESD5500	MSP6728C	Bosch P3000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 275-3000	24
TAD730	ACB275H	ESD5500	MSP6728C	Bosch P3000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 275-3000	24
TAD730G (317)	ACB275H	ESD5500	MSP6728C	Bosch P3000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 275-3000	24
TD1010G (318)	ACB275H	ESD5500	MSP6728C	Bosch P3000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 275-3000	24
TWD1010G (355)	ADC225 ACB275H	ESD5500	MSP6728C	Bosch P3000 pump	GAC 225 actuator is connected to the throttle lever. RQ governor must be equipped with correct springs. 275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 275-3000	24
TAD1030GE (393)	ACB275H	ESD5500	MSP6728C	Bosch P7000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 276-7000	24

誥鑫企業有限公司　地址: 台北市龍江路 281 巷 22 號

TD1210G (389)	ACB275H	ESD5500	MSP6728C	Bosch P3000 pump	Mechanical governor back cover and internal parts removed. 275 integral actuator mounted with adaptor Kit to RSV governor housing. KT 275-3000	24
TWD1210G (426)	ADC225 ACB275H	ESD5500 ESD5500	MSP6728C	Bosch P3000 pump	GAC 225 actuator is connected to the throttle lever. RQ governor must be equipped with correct springs. KT 275-3000	24
TWD1211G (464)	ADC225 ACB275H	ESD5500 ESD5500	MSP6728C	Bosch P3000 pump	GAC 225 actuator is connected to the stop lever of the RSV governor GAC 225 actuator is connected to the throttle lever. RQ governor must be equipped with correct springs. KT 275-3000	24
TAD1230	ACB275H	ESD5500	MSP6728C	Bosch P7000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 276-7000	24
TAD1231GE (464)	ACB275H	ESD5500	MSP6728C	Bosch P7000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 276-7000	24
TAD1232GE (533)	ACB275H	ESD5500	MSP6728C	Bosch P7000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 276-7000	24
TWD1620	ADC225	ESD5500	MSP6728C	Bosch P7000 pump	GAC 225 actuator is connected to the throttle lever. RQ governor must be equipped with correct springs.	24
TWD1620G	ACB275H	ESD5500	MSP6728C	Bosch P7000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 276-7000	24
TWD1630G (605)	225	ESD5500	MSP6728C	Bosch P7000 pump	GAC 225 actuator is connected to the throttle lever. RQ governor must be equipped with correct springs.	24
TAD1630GE (672)	ACB275H	ESD5500	MSP6728C	Bosch P7000 pump	275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit. KT 276-7000	24
TAD1631GE (759)	ACB275H	ESD5500	MSP6728C	Bosch R1500	Mechanical governor back cover and internal parts removed. 275 integral actuator mounted with adaptor Kit to RSV governor housing. 275 actuator can be fitted directly to fuel injection pump, using appropriate bearing Kit.	24

GAC 另提供發電機並聯用自動同步器 SYC6714 與負載分擔器 LSM672.
